## DEVELOPMENTS IN ELECTRONIC COMMUNICATIONS NETWORK AND SERVICES

### **WRC-23: European Commission starts Preparation of EU Position on Crucial International Spectrum Issues**

The European Commission asked stakeholders' input for the preparation of the EU's position at WRC-23, a conference which reviews binding international spectrum rules. WRC23 takes from 20 November until 15 December 2023. **Cullen International** ([read more](#) – subscription required)

### **Update on Political Agreement reached on Revised Directive on Security of Network and Information Systems (NIS2)**

The telecoms security forum, organised by the EU cybersecurity agency (ENISA), largely focused on the cybersecurity implications of the revised directive on the security of network and information systems for the telecommunications sector. **Cullen International** ([read more](#) – subscription required)

## New Roaming Rules for Travelers in the EU: “Roam like at home” for 10 more Years

On 1 July 2022, the new improved Roaming regulation enters into force. It extends “Roam-like-at-home” until 2032 – the scheme thanks to which travellers in the EU and the EEA can call, text and surf abroad without extra charges. **European Commission** ([read more](#))

## UK Telcos to help Customers cope with Cost of Living Crisis

Customers in the UK who are struggling to pay their broadband and mobile bills are to get help under a new deal agreed between the government and operators. **Telecoms.com** ([read more](#))

## DEVELOPMENTS IN POSTAL SECTOR

## Posti becomes First in the Postal Industry to have its Science-Based Net Zero Targets approved

Posti, the Finnish postal universal service provider (USP), has become the first company in the postal sector, as well as the first company in Finland, to have its net zero emission targets approved by the Science Based Targets initiative (SBTi). SBTi is a global body which helps businesses to set emissions reduction targets in line with the latest climate science. **Cullen International** ([read more](#) – subscription required)

## Royal Mail Health: We know the Importance of Delivering Care

Royal Mail Health has launched as a new business division of the company as it expands into the growing ‘healthcare at home’ industry. **Post & Parcel** ([read more](#))

## DIGITAL SERVICES

## Commission welcomes European Parliament’s adoption of Digital Services Package

The Commission welcomes the adoption by the European Parliament of the Digital Services Act and Digital Markets Act, proposed by the Commission in December 2020. **European Commission** ([read more](#))
