DEVELOPMENTS IN ELECTRONIC COMMUNICATIONS NETWORK AND SERVICES

European Commission seeks Feedback on Draft Delegated Regulation on Access to Emergency Services

On 8 August 2022, the European Commission published a draft delegated regulation on access to emergency services. The public consultation remained open until 5 September 2022. **Cullen International** ([read more](#) – subscription required)

How does the EU form its Positions on WRC- 23?

In November 2022, the Radio Spectrum Policy Group (RSPG) will finalise their recommendations for an EU position on WRC-23. Alexander Kühn, co-chair of the RSPG Subgroup on WRC explains how the EU comes to its final opinions and what role the RSPG has in this. **Policy Tracker** ([read more](#) – subscription required)

DEVELOPMENTS IN THE POSTAL SECTOR

Universal Postal Union opens Public Consultation

The Universal Postal Union (UPU) has opened a public consultation on how it can better engage and collaborate with broader postal sector stakeholders, including the private sector. **Post & Parcel** ([read more](#))

IPC gives Members Access to Best-in-Class Cross-border Technology

International Post Corporation (IPC) is enabling its members to meet the growing cross-border regulatory challenges through the provision of industry-leading technologies. One of the major challenges facing postal operators is Import Control System 2 (ICS2) which is underpinned by a large-scale advance cargo information system. **Post & Parcel** ([read more](#))
