The GR2 Form including Annex 1 should be duly endorsed by the company's auditor and submitted together with the auditor's report to the attention of the Finance Unit, Malta Communications Authority, Valletta Waterfront, Pinto Wharf, Valletta FRN 1913 by not later than 31 December 20XX.

Auditor's Endorsement _____

Although the Statement of Actual Gross Revenues requires a quarterly analysis, the primary aim of the statement is to obtain relevant financial information covering a calendar year (i.e. ending 31 December), rather than covering different financial years of the various authorised undertakings. Therefore, quarterly analysis for 20XX is not required by the MCA provided that the financial year coincides with the calendar year,
