

## DEVELOPMENTS IN ELECTRONIC COMMUNICATIONS NETWORK AND SERVICES

### European Commission consults on Review of Cybersecurity Act

The European Commission is consulting until 20 June 2025 on the revision of the Cybersecurity Act (CSA). **Cullen International** ([read more](#) – subscription required)

### European Stakeholders and Officials discuss Options for use of the Sub-700 MHz Band

There is no single scenario applicable to all member states regarding use of 470–694 MHz (sub-700) band. This could be the conclusion of the next radio spectrum policy group's (RSPG) report. **Cullen International** ([read more](#) – subscription required)
