## **OTHER ACTIVITIES**

### **Specialised Training Programme for Public Sector Employees on Web Accessibility**

During the month of December, the Malta Communications Authority (MCA) organised a specialised training programme for public sector employees to enhance their understanding of web accessibility. The course focused on practical guidance to help IT teams design and develop websites that are accessible to all users.

This initiative was organised in collaboration with the University of Malta - Faculty of ICT, FITA and MDIA.

## Congratulations to our Quiz Winner!

During the Freshers' Weeks events held in October, MCA and MDIA jointly organised a quiz and we are proud to congratulate Christian Camenzuli as one of the winners!

Mr Camenzuli received a Kindle Scribe, which we hope will be a valuable tool in supporting his studies and academic journey.

Jesmond Bugeja, MCA Chief Executive Officer, commented: "At MCA, we strongly believe in investing in young minds and encouraging curiosity, innovation, and continuous learning. We are delighted to support students at this important stage of their journey and wish them every success in their future endeavours."

## MCA's Strategy and Work Programme 2026

MCA employees took part in an informative seminar featuring key updates on the Authority's Strategy and Work Programme 2026, outlining MCA's direction and priorities for the year ahead.

Our staff also had the pleasure of hearing from Mr Charles Deguara Auditor General from the National Audit Office Malta (NAO), who shared insightful reflections on accountability and good governance; principles that support the MCA's role as Malta's communications regulator. We extend our sincere thanks to Mr Deguara for joining us and for his valuable contribution to the session.

CEO Mr Jesmond Bugeja closed the session by thanking the team for their dedication and emphasising how important these events are for strengthening relationships between us and facilitate working hand in hand at our workplace. With determination and a shared vision, there's no limit to what we can achieve.

## 65<sup>th</sup> BEREC Ordinary Meetings

The 65<sup>th</sup> BEREC Ordinary Meetings held between the 4<sup>th</sup> and 5<sup>th</sup> December brought together regulators, industry leaders and experts in an atmosphere of collaboration and forward-thinking.

It was inspiring to see such participation and ambition; a clear reminder of how much we can achieve when we move forward together.

## 2 Day Visit by the Agency for Electronic Communications and Postal Services of Montenegro (EKIP)

The CEO and senior officials from the MCA welcomed counterparts from the Agency for Electronic Communications and Postal Services of Montenegro (EKIP) for a two-day study visit aimed at strengthening cooperation and exchanging best practices.

During the visit, MCA experts provided an overview of the Authority's organisational structure, international engagement, and key initiatives in network resiliency and connectivity. Discussions also addressed the implementation of the Digital Services Act, universal service obligations, consumer protection, market regulation, and recent quality-of-service benchmarking.

The visit offered a constructive platform for high-level exchanges and reinforced the commitment of both authorities to continued collaboration in the regulatory field. A productive and insightful exchange of knowledge and experiences!

## MoU between the MCA and the Commissioner of Communications of Cyprus

On the 3<sup>rd</sup> December 2025, the Malta Communications Authority (MCA) and the Commissioner of Communications of Cyprus, representing the Digital Security Authority, signed a Memorandum of Understanding.

Jesmond Bugeja, Chief Executive Officer of the MCA highlighted, "This is not just a signature on a document. It is a meaningful commitment to strengthen cooperation, enhance cybersecurity, and ensure resilient electronic communications and postal services across our region."

Signed by Jesmond Bugeja and George Michaelides, Commissioner of Communications in Cyprus, this MoU paves the way for a more secure, connected, and resilient digital environment for our communities.

## Bilateral Meeting with NCEC

On 2<sup>nd</sup> December 2025, the Malta Communications Authority (MCA) held a bilateral meeting with the National Commission for the State Regulation of Electronic Communications, Radio Spectrum and Postal Services of Ukraine (NCEC). The hybrid meeting included the in-person participation of

NCEC Chairwoman Ms Liliia Malon at the MCA offices, together with MCA CEO Mr Jesmond Bugeja and senior officials from the MCA.

Discussions focused on each authority's operational framework, market regulation, consumer protection and network resiliency, as well as the current challenges facing Ukraine's electronic communications sector.

The exchange provided an invaluable opportunity for both authorities to share expertise, discuss mutual challenges, and strengthen cooperation in support of resilient and consumer-focused communications sectors.

We look forward to continued collaboration with our counterparts at NCEC.
