

INTERNATIONAL RELATIONS

BEREC Market and Economic Analysis Working Group Online Meeting

Representatives from the MCA attended an online meeting on Thursday, 28th May 2026, which was held by the BEREC MEA WG, to discuss the comments received during the public consultation on the report titled “Europe’s Telecom Reality Check – Draft BEREC fact-finding report on connectivity, competition and regulatory highlights in different jurisdictions.” The meeting involved the report drafters, who have been tasked with preparing draft responses to the submissions relevant to their respective sections.

Bilateral Meeting with Dutch Digital Services Coordinator (ODSB)

The MCA held an online meeting with the Dutch Authority for Consumers and Markets (ACM) on 28th May 2026, to discuss a prospective new Online Dispute Settlement Body (ODSB) application in the Netherlands. The discussion focused on DispuTech, in relation to its connection with Adroit, and preliminary considerations around its potential designation.

21st Meeting of Working Group 3 of the European Board of Digital Services

On 26th May 2026, the MCA participated in the 21st Meeting of Working Group 3 which was held online. The meeting focused on out-of-court dispute settlement, including the interim report on the Article 21 DSA study and an update on the BPR Group, as well as the Article 16 workstream of WG1 and content moderation in different languages.

18th and 19th WRC 27 RSPG Subgroup Meetings

The MCA participated in the 18th and 19th World Radiocommunication Conference 2027 (WRC-27) RSPG Subgroup meetings held on 20, 27, and 29 May 2026. These meetings focused on developing the draft final opinion on specific WRC-27 agenda items, which will be submitted to the next RSPG Plenary.

45th Meeting of the ECC Working Group NaN2

Two representatives from the MCA participated virtually in a meeting of a project team within WG NaN which was held between the 19th and 20th May 2026. The project team held discussions on multiple aspects related to trust in numbers, number portability, and switching, including ongoing Report drafting and discussions on future work items.

13th Meeting of Working Group 1 of the European

Board of Digital Services

On 18th May 2026, the MCA participated in the 13th meeting of the Working Group 1, focusing on the Board's Opinion regarding the Action Plan of X. The discussion centred on reviewing the first draft prepared by the drafting team and considered proposed written amendments, including those submitted in advance in track changes. The meeting also aimed to facilitate structured discussion and move towards endorsement of a draft, in view of the upcoming ad-hoc Board meeting on 27th May 2026.

BEREC Contact Network Meeting

The MCA participated in the second BEREC Contact Network meeting of 2026, which was held in Jurmala, Latvia between the 12th and 13th May 2026. This Contact Network prepared the agenda and discussed the documents to be submitted to the BEREC Board of Regulators and Management Board for adoption during the 67th plenary meetings which will be held in Dublin in June 2026.

2nd and 3rd Guidance for Alternative Use of the Sub 700 MHz Band - RSPG Subgroup Meeting

Technical experts from the MCA participated in the 2nd and 3rd RSPG Subgroup meetings on "Guidance for the Alternative Use of the sub-700 MHz band," held on 11th and 26th May 2026, respectively. During the 11th May meeting, participants reviewed and discussed inputs received for an internal questionnaire aimed at assessing different scenarios for the use of the sub-700 MHz band. The questionnaire was subsequently approved and circulated to Member States for completion. At the 26th May meeting, several

stakeholders delivered presentations outlining their views on the use of the sub-700 MHz band.

64th Meeting of the ECC Working Group NaN1

Two representatives from the MCA participated virtually in a meeting of a project team within WG NaN, which was held between the 6th and 7th May 2026. The project team held discussions on multiple aspects related to future numbering issues, including ongoing drafting of Reports, reviewing of ECC Recommendations and discussions on future work items.

4th Meeting of Best Practice Recommendations Working Group

On 6th May 2026, the MCA attended the 4th Meeting of Best Practice Recommendations Working Group. The meeting focused on the presentation and discussion of the ODS study results, updates from CnaM on stakeholder engagement, and the next steps for the development of Best Practice Recommendations, including follow-up actions, potential workshops, and agreed timelines for submission, review, and consolidation of draft recommendations.

1st Best Practice Recommendations Subgroup 5 Meeting

The MCA held an online meeting with the German DSC on the 4th May 2026, to discuss draft proposals for fee-related best practices under

Article 21 DSA.
